to both classes of buyers. That accounts for
its wonderful popularity.**

automobile satisfaction, regardless of price, that
Chalmers cars compare favorably at every point

AMUSEMENTS

NEW MUSICIANS FOR THE BIJOU

The final plans for the opening of
the new Bijou Theater in the old skating
rink are rapidly reaching the con-
summation point. By the Sierra, let-
ters and contracts were sent to San
Francisco for the engagement of five
people for the opening show. The
opening acts are two doubles and one
single. The prices that these vaude-
ville artists demand for their time in-
dicate that they will present the very
best acts to be obtained on the coast.

In booking acts for the Bijou it is
the intention to do so only for three
weeks, so new people can be secured
on every Sierra. This will permit fre-
quent changes in the program.

An innovation that will be watched
with interest by the backers of other
amusement places is the hiring of
coast musicians. Six have been en-
gaged for the Bijou and will arrive
here with the vaudeville people on the
Wilhelmina or Sierra the latter part
of this month. Much as Hawaiian
music is enjoyed here, it will be a
novel change to be entertained by
union mainland musicians.

S. K. Kuby, a former Honolulu res-
ident, who has been on the coast for
the past five years engaged in the
theatrical business, has been engaged
as manager of the new place and will
arrive here with the opening acts.
Much of the success prophesied for
the new place is on account of the
knowledge he is known to possess
about the show business. As an in-
stance of this, he has made arrange-
ments to get films so two new pictures
can be shown every night. In many
other ways he is making arrange-
ments that will be appreciated by the
theater-goers of Honolulu.

The Bijou will have a seating cap-
acity for fifteen hundred people. It will
be opened on December 3d.
